🕌 Basic Quran Reading: Qa'idah

Beginner students learn the Arabic alphabet, correct pronunciation of the letters and vowels, how to join letters and connect words. They also learn how to perform wudu, salah, and they memorize short surahs.

📖 Intermediate Reading: Tajweed

Intermediate level students learn the the rules of Tajweed: how to articulate letters and extend vowels with clarity and precision. This area of learning is essential for all Muslims in order to preserve the meaning and integrity of the Quran. Students learn a new rule each week, and practice and read in small groups.

📖 "Let's Learn Islam" textbook series

Sunday classes learn about a wide variety of subjects using the textbooks of the *Let's Learn Islam* series. They will learn about Seerah, Fiqh, Morals, Manners & 'Aqidah. Kids also learn Sunnah duas for daily life, the attributes of our Creator, and explore the meanings of the oft-recited short surahs.

📝 Homework Help

We're also happy to offer Homework Help in the weekday program, for elementary & middle school subjects. We're proud to support our kids in worldly as well as Islamic education!

NOTE: This is not a tutoring program.
Classes run September - June.
